TRULY A GRAND AFFAIR.

The Opening of Semmons New and Elegant Place of Business.

Was there anything of importance socially in the city this week, did you say? Well, you there was an opening reception and it certainly was a notable one. It was the talk of the town for a week previous to the occasion and when two o'clock arrived on Thursday, the sidewalk in front of Semmons' store the new "Outfitter to Mankind" there was a literal mass of surging humanity, crowding to get space enough to keep their feet.

The store room had been especially attired in holiday garb, flowers, plants and artistic decorations lending charm to the scene. The Philharmonic orchestra stationed on the balcony in the rear rendered popular airs and as each guest was received by the very pleasant proprietor, Mr. George Semmons, they were presented with a handsome souvenir of the occasion, and passing down the west side after a peep at the array of new goods and the surroundings, they passed out on the opposite side of the store, ushered by polite attendants all of whom were either in full evening dress or uniform, the ladies however being invited to enter the balcony to view the children's departments before leaving.

A more congenial corp of assistants it would be hard to find and in selecting the several gentlemen for their respective positions, Mr. Semmons has shown excellent judgement. Mr. Dan Loeb, head salesman is a gentleman entirely at home and thoroughly experienced in this line. The decorations, the displays in the windows and the artistic sign work about the store were all his deft handiwork. Mr. Joe H. Simmons, a clever young man, brother of the resident partner, is a courteous and accomplished salesman and one who will make friends for the new house. Mr. Lou Rothchild and Mr. D. L. McEnderree two more well known salesmen are the right persons in the right places. Miss Lou Briggs a pleasant and accomplished young lady of brunette type presides over the destinies at the cashiers desk and counting room. Aside from these are several others who attend to various departments whose names we failed to obtain.

To review the store and to give a complete report of the opening would tax our columns, but we feel in duty bound to briefly describe what was seen. The two large show windows were most elegantly dressed, the east one showing a fine collection of the very latest in gentlemen's haberdashery, with many novelties for the first time seen in Lincoln. The west window, a most attractive one, showed the new effects in spring wearing apparel artistically arranged. In the rear of this window was a decided novelty in shape of a human gold faced Adam's posingly leaning on a pedestal holding a scroll bearing the inviting title "Welcome."

That Lincoln feels proud of the new acquisition to its commercial circle, was clearly demonstrated Thursday. It seemed as though everyone in the city was present at some time during the afternoon or evening, there being represented among the number, nearly all of our social leaders, state officers and other prominent people. Everyone seemed well pleased with the reception and best wishes to extended congratulations and best wishes to Mr. Semmons for success. The gentleman has the right ideas of the push and energy that is required in business in these modern times and though but a newcomer, it is safe to say, that through his clever and intelligent manner of advertising, he is already better known to the people of this city and vicinity than some of our old time resident merchants.

The opening was popular town talk all day yesterday and business starts out under most favorable circumstances. The opening was a most elaborate success and by far surpassed anything heretofore attempted in Lincoln.

The COURIER takes pleasure in extending to Mr. Simmons a most hearty welcome knowing that his location among us will revive new interest generally in the retail trade, and wishes him all the success that is due to untiring efforts and enterprise.

A New Train. The connecting link between Nebraska and Kansas has just been placed in service by the Union Pacific railway. This train leaves Council Bluffs daily at 4:45 a. m.; Omaha at 5:05 a. m.; Valley at 6:20 a. m.; and runs through without change to Manhattan, Kansas, making direct connections there with the Kansas division of the Union Pacific railway for all points in Kansas and Colorado, west-bound, and for Topeka, Lawrence, Kansas City and points east and south via Kansas City.

Returning train leaves Manhattan at 2:25 p. m., arriving at Beatrice at 6:25 p. m., Lincoln at 7:50 p. m., Valley at 9:55 p. m., Omaha at 11:20 p. m., and Council Bluffs at 11:40 p. m., making direct connection with Kansas division trains from Kansas City, Lawrence, Topeka and the east, and from Denver, Salina, Abilene and all points west, enabling passengers to visit the principal points in Kansas and Nebraska in the shortest possible time. These trains have first-class equipment, consisting of smoking cars and first-class day coaches of the latest pattern. The new train will fill a long-felt want and is bound to be popular from the start.

Why It is One Sweet Melody Will Charm. Mr. J. B. Melody, of 333 State street, Chicago, had drawn a handsome prize in the Louisiana State Lottery drawing of December 18th. He said: "Yes, I held one fortieth of ticket No. 68,744, which drew the second capital prize of \$200,000 in the company's drawing of December 18th last. I experienced no trouble in getting my money, all that was required being to present my ticket at the office of the Adams Express company and be properly identified. Four days after I had the \$5,000 in my pocket.—Chicago (Ill.) Arkansas Traveler, Jan. 12.

Grand Colorado Excursion. On February 29th the B. & M. will sell tickets to Alamosa, Cal., and return at \$30 good for twenty days. Ft. Garland, La Jara, Del Norte, Monte Vista, or Antonito may be visited at an additional expense of \$1.00. These towns are in the wonderful San Luis valley, probably one of the richest and most promising tracts of government land in the country. No droughts, floods or cyclones. Immense crops, good market and fine climate, with most flattering prospects for the future. This is a good thing, the rates are nearly cut in two, and we want you to enjoy the benefit. There is no telling when the roads may be induced to make such a rate again.

Call at the office and get a descriptive circular of San Luis Park, its resources and advantages. A. C. ZIEGLER, City Pass and Ticket Agent. Webster and Rogers' great sale continues to draw custom from all parts of the city and state. They are offering some great bargains and you cannot afford to miss this opportunity to lay in a supply while the prices are so low. Styles are right, goods are of first qualities and the prices cannot fail to please all.
